

SCHOOL GOVERNOR VACANCY

Woolhampton C.E (VA) Primary School

The school's governing body is looking to appoint a replacement for one of its long-standing members who has reached the end of his term of office.

The prospective governor should be someone who does not have a child currently attending the school, or likely to attend in the future.

There are no specific qualifications or experience for this role other than an interest in the education of children and a desire to work with other governors and staff in maintaining and further developing the school's high standards.

Working with the Headteacher, governors set the strategic direction and policies for the school, but the Headteacher and staff are responsible for their implementation and for day-to-day management. The governing body monitors progress and maintains oversight of the process.

The school's website is constantly updated with information about the school and recent events, and you are encouraged to visit the site to learn more about the school.

If you would like to make a positive contribution to your local school, please email or telephone for further details.
